

WHAT TO DO

Everything is ready to happen right now. It will be on a day just like today. "In one day America will burn." It will be a surprise attack just like Pearl Harbor, except this time America will be the target of nuclear weapons. It will happen when we least expect it, only it will be in your city or a place near you. The only hope for America is to turn away from sin to a new life in Jesus Christ. God is not asking us to do hard things, but to stop lying, cheating, stealing and sinning in all possible ways. He is not telling us to run out of America or run to the mountains or forest to hide. God is telling us to run to Him and He will protect us, even if a nuclear bomb falls right next to us. But, without God's protection, what defense would you have against a nuclear attack?

IF YOU ARE A CHRISTIAN

If you are a Christian living in sin, you must put an end to it today. Tomorrow will be too late! Just say to God from your heart that you are sorry for what you have done in disgracing the name of God and Jesus to all those around you, as a direct result of them seeing you living in sin. Ask Jesus to come into your heart make it clean. God never gets tired of forgiving- it doesn't matter what you've done in the past, but now go and do not sin anymore! If you have never prayed to receive the Holy Spirit, then pray every day without ceasing. He will replace the emptiness inside of you with peace, love and joy. He will guide you in all truth, comfort you in your times of distress and help you say no to sin. "Many who carry the name of CHRISTIAN are overcome by greed, fornication, drunkenness and a pursuit for great wealth. Those who live in defilement and meditate on evil things will have no escape."

IF YOU ARE NOT A CHRISTIAN

If you are not a Christian and have not received the gift of forgiveness, which God grants freely, then ask God for it right now. Just pray to God from your heart and say that you are sorry for every sin and evil thought or desire. Ask Jesus to come into your heart; it is the most important thing in your life; be baptized in water and pray every day without ceasing to receive the Holy Spirit. The Holy Spirit will help you turn your life around so that you can, as Jesus instructed the woman caught in adultery, "Go and sin no more." Get to know God better by reading the Bible. You may find it helpful to start with the Gospel of John in the New Testament.

"The pure in heart will not be punished.... those who are faithful and true will hear the trumpet of God and the voice of God's angel crying WAKE UP! They will be told where to go.".... I looked down and saw beautiful cities..... "This is your refuge when the times of tribulation fall upon California. Your family and all those who hear the voice of the Lord will understand the message of God's mighty trumpet."

"Only the righteous will I save, some out of the midst of the fire."

Hand of Help
Ministries

"I the Lord will work in ways that you cannot imagine, but be holy."

A great army, well armed and dressed in white, appeared before me.

"This army will go to battle to save my chosen ones."

"At the appointed time, I will speak to them, like I speak to you, as to what they must do."

"I will send a chariot of salvation and take each one out in his appointed time."

"All those who repent and turn back to God will be saved from the day of trouble."

WAKE UP AMERICA!

America will soon be
ATTACKED!

The angel showed me all of California, Las Vegas, New York and Florida. "All of this I have shown you - IN ONE DAY IT WILL BURN."

As the noise of the engines grew even louder, the man beside me turned to me and said, "These are planes loaded with atomic bombs. No one and nothing will be able to stop them."

In 1984, after years of intense persecution, a Romanian Pastor, Dumitru Duduman, was thrown out of his country for smuggling bibles into Romania and Russia. With the help of the American Consulate, Dumitru and his family came to America.

They were picked up at the airport by a Russian agency and taken to a small apartment in Fullerton, California. The apartment had no furniture or beds and to make matters worse, the previous occupants had allowed their dogs to urinate all over the carpeting.

Feeling abandoned and discouraged, Dumitru asked God why He had brought him to America. God began to show Dumitru why he was brought to America and the incredible task that laid before him.

The following are excerpts from Dumitru's books, "Through the Fire Without Burning" and "Dreams and Visions from God", from his video, "Wake Up America" and from the "Hand of Help" newsletter. These excerpts are not meant to form a message of fear, but to present a message of hope to all those who will stop sinning and turn to God.

God's message to America:
AMERICA WILL BURN!

September, 1984

Late one night, I could not sleep. The children were sleeping on the luggage. My wife and daughter were crying. I went outside and walked around. I didn't want them to see me cry. I walked around the building crying and saying, "God! Why did you punish me? Why did you bring me into this country? I can't understand anybody. If I try to ask anybody anything, all I hear is, *I don't know.*"

I stopped in front of the apartment and sat on a large rock. Suddenly a bright light came toward me. I jumped to my feet because it looked as if a car was coming directly at me, attempting to run me down! I thought the Romanian Secret Police had tracked me to America, and now they were trying to kill me. But it wasn't a car at all. As the light approached, it surrounded me. From the light I heard the same voice that I had heard so many times in prison.

He said "Dumitru, why are you so despaired?" I said, "Why did you punish me? Why did you bring me to this country? I have nowhere to lay my head down. I can't understand anybody." He said, "Dumitru, didn't I tell you I am here with you, also? I brought you to this country because this country will burn." I said, "Then why did you bring me here to burn? Why didn't you let me die in my own country? You should have let me die in jail in Romania! He said, "Dumitru, have patience so I can tell you. Get on this." I got on something next to him. I don't know what it was. I also know that I was not asleep. It was not a dream. It was not a vision. I was awake just as I am now.

He showed me all of California and said, "**This is Sodom and Gomorrah! All of this, in one day it will burn! Its sin has reached the Holy One.**" Then he took me to Las Vegas. "**This is Sodom and Gomorrah. In one day it will burn.**" Then he showed me the state of New York. "Do you know what this is?" he asked. I said, "No." He said "**This is New York. This is Sodom and Gomorrah! In one day it will burn.**" Then he showed me all of Florida, "**This is Florida.**" he said. "**This is Sodom and Gomorrah! In one day it will burn.**" Then he took me back home to the rock where we had begun. "IN

ONE DAY IT WILL BURN! All of this I have shown you."

I said, "How will it burn?" He said, "Remember what I am telling you, because you will go on television, on the radio and in churches. You must yell with a loud voice. Do not be afraid, because I will be with you." I said, "How will I be able to go? Who knows me here in America? I don't know anybody here." He said, "Don't worry yourself. I will go before you. I will do a lot of healing in the American churches and I will open the doors for you. But do not say anything else besides what I tell you. This country will burn!"

I said, "What will you do with the church?" He said, "I want to save the church, but the churches have forsaken me." I said, "How did they forsake you?" He said, "The people praise themselves. The honor that the people are supposed to give Jesus Christ, they take upon themselves. In the churches there are divorces. There is adultery in the churches. There are homosexuals in the churches. There is abortion in the churches and all other sins that are possible. Because of all the sin, I have left some of the churches. You must yell in a loud voice that they must put an end to their sinning. They must turn toward the Lord. The Lord never gets tired of forgiving. They must draw close to the Lord and live a clean life. If they have sinned until now, they must put an end to it, and start a new life as the Bible tells them that they might live."

I said, "How will America burn? America is the most powerful country in this world. Why did you bring us here to burn? Why didn't you at least let us die where all the Dudumans have died?"

He said, "Remember this, Dumitru. The Russian spies have discovered where the nuclear warehouses are in America. When the Americans will think that there is peace and safety - from the middle of the country, some of the people will start fighting against the government. The government will be busy with internal problems. Then from the ocean, from Cuba, Nicaragua, Mexico..." (He told me two other countries, but I didn't remember what they were.) "...they will bomb the nuclear warehouses. When they explode, America will burn!"

"What will you do with the Church of the Lord? How will you save the ones that will turn toward you?" I asked. He said, "Tell them this: how I saved the three young ones from the furnace of fire, and how

I saved Daniel in the lions' den, is the same way I will save them."

The angel of the Lord also told me, "I have blessed this country because of the Jewish people who are in this country. I have seven million Jews in this country, but they do not want to recognize the Lord. They didn't want to thank God for the blessings they have received in this country. Israel doesn't want to recognize Jesus Christ. They put their faith in the Jewish people in America. But, when America burns, the Lord will raise China, Japan, and other nations to go against the Russians. They will beat the Russians and push them all the way to the gates of Paris.

Over there they will make a treaty, and appoint the Russians as their leaders. They will then unite against Israel. When Israel realizes she does not have the strength of America behind her, she will be frightened. That's when she will turn to the Messiah for deliverance. That's when the Messiah will come. Then, the church will meet Jesus in the air, and He will bring them back with Him to the Mount of Olives. At that time, the battle of Armageddon will be fought."

When I heard all of this I said, "If you are truly the angel of the Lord, and everything you have told me is true, then all you have said must be written in the Bible." He said, "Tell everyone to read from Jeremiah 51:8-15, Revelation chapter 18, and Zechariah chapter 14, where Christ fights against those who possess the earth. After His victory," the angel said, "there will be one flock and one Shepherd. There will be no need for light. The Lamb of God will be the Light. There will be no sickness, no tears and no death. There will only be eternal joy and God will be the ruler. There will be only one language. Only one song and no need for a translator!" "Dumitru", he continued, "a word of warning, if you keep anything from the American people that you have been told, I will punish you severely." "How will I know that this is for real - that it will really happen?" I asked. "As a sign that I have spoken to you, tomorrow before you wake, I will send someone to bring you a bed, and at noon I will send you a car and a bucket of honey. After which I will send someone to pay your rent." Then the angel left.

The next day someone brought Dumitru a bed, at noon a car arrived delivering a bucket of honey and his rent was also soon paid, as God had promised him. (See chapter 10, "Through the Fire Without Burning")

(In the following summary, sections in italics are from Dumitru's dreams, visions and prophecies.)

WHEN WILL IT HAPPEN?

SEPT. 1984: *"From the middle of the country, some of the people will start fighting against the government. The government will be busy with internal problems. Then... (The attack will come) Look around you! Look at the rise of the militias. They are in virtually every state and growing in strength and numbers. They are training right now to do battle against the government. One militia leader has recently stated that if the government continues to distance itself from the people, war and revolution are inevitable. All it would take is one incident to unite the militias."*

1991: *The angel said: "Tell the people of America that one day with the Lord is as a thousand years, and a thousand years as one day. If they will repent and turn back to God, they will make it through the second day to the third day. If they don't, they will not make it."*

NOV. 1993: *I opened the book and the words "Book of the Gentiles" was scrawled on it. I saw all kinds of different names written. When I reached the end of the book, I found that there were one, and three quarter pages left blank - unwritten.*

JAN. 1996: *The angel said to me, "Do you remember how many pages were left to fill when I showed you last time? Now, there is but one page left. When this is completed, what I have told you will happen to America." The man proceeded to tell me that the time it would take for this page to be filled, would not be longer, but shorter.*

APRIL, 1996, in a vision: *The Russian and Chinese presidents made a contract to fight against America. A voice said to me, "Watch where the Russians penetrate America." I saw these words being written: Alaska, Minnesota and Florida. Then, the man spoke again, "When America goes to war with China, the Russians will strike without warning."...The presidents of two other countries said, "We too will fight for you." Each had a place already planned as a point of attack... "Without a doubt, together, we can destroy America"... "Everything I have shown you is how it will REALLY happen... Then, when it comes to pass, the people will remember the words the Lord has spoken."*
